

**Company Quality Policy**  
**for**  
**Priority Construction Limited**

It is the policy of Priority Construction consistently to fulfil the requirements of the ISO 9001:2008 standard and to meet or exceed the reasonable expectations of our customers.

This is achieved by:

- prioritising customer service;
- providing a high standard of service;
- professionally delivered training by qualified staff;
- utilising a formal process of setting and achieving company objectives;
- provision of training to ensure the availability of the most up-to-date service.

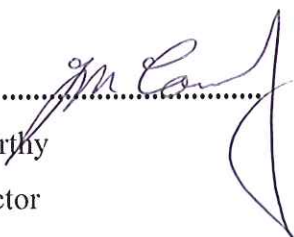

It is company policy to deal efficiently and effectively with all customer concerns regarding quality and service, and to resolve issues as far as possible to the satisfaction of its customers.

All employees of Priority Construction are committed to the Quality Management System and to ensuring our service is delivered effectively and continuously improved upon, to ensure customer satisfaction at all levels. Management is committed to providing safe working conditions and to fostering the personal development of employees through their work.

The effectiveness of Priority Construction's Quality Management System is maintained and continually improved through teamwork and the commitment of all staff. Quality objectives are established and reviewed annually, taking account of market requirements.
