

Health & Safety Policy

Priority Construction Limited believe that our people are our greatest asset, recognising that the well-being of those same people is of the utmost importance so that they can enjoy life to the full and contribute their best to the overall business performance of the Company.

The aim of this policy is to prevent injuries, ill health and other unnecessary losses and liability and to protect our workforce, subcontractors and the general public from the hazards that may be involved in our work. PCL set and reviews objectives & targets annually. It is our policy to comply with all relevant Legislation, especially the Safety, Health & Welfare at Work Act 2005, The Safety, Health & Welfare at Work (General Application) Regulations S.I. No. 299 of 2007, The Safety, Health & Welfare at Work (Construction) Regulations 2013 S.I. No. 291 of 2013 & also the Safety Health & Welfare at Work (Work at Height) Regulations 2006. PCL have established legal registers to ensure that we are and remain compliant to relevant health & safety law.

Good Safety Standards can only be achieved if everybody accepts their responsibilities. We recognise the important contributions that employees can make to the implementation of this policy and therefore are committed to maintaining effective communications with them, in return we expect full co-operation from all Employees.

A copy of this Safety Statement will be held in the Company Head Office & on every PCL site and is available to all employees, sub-contractors and visitors.

We are also committed to best practice Health & Safety Management Procedures and will adopt relevant procedures as outlined and set-down by the Authority or its agents where relevant.

This document will be reviewed annually and amended as necessary taking into consideration changes that may occur and any safety suggestions that may be forthcoming.
